

Goldwater Blasts Ban, Wants Reds To Leave Cuba

WASHINGTON, Sept. 12 (AP) — Sen. Barry Goldwater, R-Ariz., renewed today his demand that the Senate "exact a price" for the limited nuclear test ban treaty by making ratification contingent on removal of Soviet forces from Cuba. But Goldwater, in a speech prepared for Senate debate, said that even if his proposal should be accepted, "it would not make the treaty one ounce more acceptable to me. I cannot accept it because of the peril in which it places our security over all the world," the potential candidate for the Republican presidential nomination asserted.

Goldwater appeared to be swimming against a current of increasing support for the pact. Democratic and Republican leaders, working hand in hand to stem the opposition to the Senate's version, almost 80 votes in favor of the treaty to prohibit all tests except under-ground.

Only three days ago, an Associated Press survey found 75 senators for it, a two-thirds majority needed for ratification — 67 if all 100 senators vote.

The drive got another big push Wednesday from President Kennedy and Republican Leader Everett M. Dirksen of Illinois.

In a letter, Kennedy gave the Senate "unequivocal and unequivocal assurances" that there will be no letup in the defense buildup if the treaty is put into effect.

Jerome Asks School Levy From County

JEROME, Sept. 12 — L. H. Van Pelt, Jerome county commissioner, said today the commissioners will act Friday afternoon on the request of the school board for more money.

Van Pelt, who is attorney for the school district, said the commissioners are awaiting a ruling from the attorney general, he said. Richard Steele, Jerome county prosecuting attorney, contacted the attorney general last week to determine the request for some \$15,000 to be raised locally.

Friends said the famous couple had no special plans and would spend the whole day at Charwell, the country home 22 miles south of Jerome purchased by Sir Winston in 1922.

Steele, attorney for the school district, said this morning, was created when the state board of education overestimated the amount of money that Jerome county would receive from the state. The state board noted that local residents wanted they would receive and the school board validly budgeted accordingly, Steele explained.

This money was part of the state's contribution to the legislature four years ago, attempting to equalize the schools in which the state and county both have an obligation, Steele added.

Both Steele and the school board justified in making county commissioners for this levy because the foundation plan stipulates that when the state is unable to meet its obligations then county must make up the difference.

The attorney general ruled yesterday that the \$3 million dollars appropriated by the 1963 legislative session would be used for last year's budget.

In a letter to the Jerome school board, State Atty. Gen. P. E. Englund advised them to note the change in the state budget.

Earlier the insurgents also had held control of the airport and central telephone exchange in the modernized inland capital, about 600 miles northwest of Rio de Janeiro.

Kennedy's Plan Private Party

WASHINGTON, Sept. 12 (AP) — President and Mrs. Kennedy observed their 10th wedding anniversary yesterday at a private dinner party at their home.

The White House said the first family's "10th" anniversary would be a "strictly private affair."

Congratulatory letters have been pouring into the White House.

"The President plans to speak to the news media after his 4 p.m. AP-TV news conference to be with Mrs. Kennedy and the children,

but he has not yet decided where to have his one-man show.

King's Exile in Lebanon Hinted

BETHLEHEM, Lebanon, Sept. 12 (AP) — King Faisal of Saudi Arabia has finally permission to settle here permanently, according to authoritative sources said today.

The sources said Saudi Prince

Prince Crown Prince Fahd and his brother, Prince Khalid, King Faisal were not prepared to allow him to remain his one-man show.

King Faisal, the attitude to his son, he said, was "not very good," he said. "He respects his son, but he may have a good life and business, moral security and so forth."

DAHL RELAXES

DAHL KHATAM, Tadzhikistan, Sept. 12 (UPI) — Secretary of Defense Robert S. McNamara today left Dushanbe, the capital of Tadzhikistan, to begin a tour of Central Asia.

McNamara is expected to return this

This is a substantial loss, said Clarence Appleby, department of agriculture statistician.

"It's the worst harvest we've had in the state to cover," he said.

He said the loss from wet weather and flooding, not enough rain and the rust, no irrigation, the crop yield will hurt.

"I wouldn't want to say all the

Solon Notes Fund Gifts For Idaho

WASHINGTON, Sept. 12 (UPI) — Rep. Ralph Harding, D., Idaho, says his state has received more than three million dollars in federal funds under the national defense education act since the law was enacted five years ago.

In the five years, Harding said, Idaho has received \$1,091,200 for grants to college students; \$736,000 for teaching grants; \$5,642 for graduate training courses; \$21,000 for tuition local guidance programs; and \$751,931 to stimulate instruction in science, mathematics and foreign languages.

Under the vocational training program, he said, 572 youths and adults were enrolled in Idaho during the past school year, with courses offered in six institutions.

The local plan, he said, has increased the number of courses in Idaho from one for every 2,200 students in 1958 to one for every 650 students last year.

Harding said loans under the program have been made to students in seven Idaho educational institutions. He listed them and the amounts received:

Bonne Junior College, \$83,551; College of Idaho, \$12,581; Idaho State University, \$125,486; Magic Valley Christian college, \$115,095; North Idaho Junior college, \$55,366; Northwest Nazarene college, \$12,654; and the University of Idaho, \$10,195.

Mass-Celebrated For F. Geisler

BELLEVUE, Sept. 12—Religious high mass was held yesterday at St. Francis de Sales Church to celebrate the death of Father F. Geisler, 65, who died Wednesday in the Bush Catholic Church of the Immaculate Conception by the Rev. Jerome T. O'Connor, pastor.

Music was by the church choir directed by Mrs. Roberta Smith.

Mr. and Mrs. LeRoy served as John Michel and Joe Waskow.

Honorary pallbearers were L.

D. Cunningham, Albert Kolarik, Tom Tverdy and Joe Klein. Active pallbearers were John Simons, Virgil Thompson, LaVar Mabey, Bill Thompson and Alfred Hieb.

Rosary was recited 8 p. m. Tuesday in the Albertson Memorial Chapel. Burial was at the cemetery.

Services will be at 4 p. m. Wednesday in the Brigham City, Utah, city cemetery.

News Around Idaho

GEORGETOWN, Sept. 12 (AP)—A 28-year-old man suffocated yesterday when he fell into a well with a powder poison ore in the central Pacific fertilizer plant here. The victim was in T. Larsen, Montpelier, a laborer.

IDAHO FALLS, Sept. 12 (AP)—The full weight of the Bonneville county attorney's office was hurled against members of the Klan and organized white supremacists in the small town of Georgetown, and local police agencies Thomas C. W. Whyle, assistant prosecuting attorney for the county, added to County Attorney A. Jack Voechel's statement published in the Post-Register Monday and Tuesday in scorning the rumors in which the Idaho Falls Klan claimed it had been invited to attend a meeting of organized communism to bring it to the attention of the proper authorities. He further asked the exchange club to assist in this effort and to aid law enforcement agencies. "We have absolutely no information that has been given to us on which to base these rumors. To the best of our office's knowledge and investigation, we have reason to believe that these rumors were not based on fact," Whyle added.

WALLACE, Sept. 12 (AP)—A notice of appeal from an Idaho supreme court ruling upholding a judgment entered in favor of Idaho Falls paper Leinenweber Company in a dispute over a \$100,000 loan has been filed by Atene, attorney for the company. A district court order enjoining Atene from claiming right or title to the claims was handed down when Atene representatives failed to appear in court on the appointed date. Atene contend that faults in the original claims left them open to filing by others. The appeal notice was signed by Atene President Joseph Orenrough, Spokane, Wash., Marcus J. Ware, Lewiston, and Phillip Brooks, Spokane.

SALMON, Sept. 12 (AP)—A young husband was charged with first degree murder Wednesday in the fatal shooting of a 28-year-old bachelor—Tuesday night. Sheriff Bill Baker, who identified the victim as a police officer, said he was shot in the doorway of his home about midnight. Charged with the slaying was Melvin Aldous, 23, an employee of the U.S. forest service. County Prosecutor Charles Herndon quoted Aldous as saying there "was something between Ziemer and his (Aldous) wife."

BLACKFOOT, Sept. 12 (AP)—Blackfoot downtown merchants closed up shop Wednesday to take their choice of horse racing, livestock judging or walking ice-skaters during Blackfoot day at the Eastern Idaho state fair. Attendance ran ahead of last year's record by close to 10 per cent. Mrs. Ruth Hartkopf, secretary-manager, said the 10-day fair, which was reorganized Wednesday and persons over 60 years old were admitted free to the grounds. Mrs. Hartkopf estimated that over 1,800 had been admitted as senior citizens.

BOISE, Sept. 12 (AP)—Gov. Robert E. Smiley has been announced as keynote speaker for the 16th annual conference of the Government Interstate Indian council to be held here Sept. 22-25. Expected to attend this meeting are delegates from 22 states, all of which have Indian inhabitants. The council will consider policies for adoption and recommendation to the governors of the states represented during the four-day meeting.

POCATELLO, Sept. 12 (AP)—The first of an estimated 3,500 students began registration Wednesday for the fall term at Idaho State University. Upper classes will register today and freshmen on Friday. Classes start Monday.

BOISE, Sept. 12 (AP)—Announcement by the state forestry department of completion of a car pooling plan for most employees brought prompt approval Friday from State Auditor Joe Williams and Secretary of State Arnold Williams. State Auditor Roger Goss, however, expressed hope it will be adopted by other state agencies. He said that forestry department cars are kept in storage places at various headquarters and employees "do not drive state vehicles to and from work." He said the only exceptions to the car pool requirements are for wardens and foresters "or possibly others who are on 24-hour call, and this arrangement pertains only during periods of fire danger."

BOISE, Sept. 12 (AP)—A public hearing to accept recommendations for spending approximately three million dollars in federal funds allocated to Idaho for the 1964 forest highway construction program has been called for Sept. 18. The session will be conducted by the Idaho highway board, W. C. Burns, Idaho Falls, highway board chairman, will preside. Burns said the hearing has been called "to give area residents of the state where the highway traverses U.S. forest lands the opportunity to appear before the three-agency panel to express their views on the proposed highway and be heard to hearing recommendations." These three groups will meet in an executive session in the afternoon to make the allocations. Idaho has 1,222 miles of forest highways.

POCATELLO, Sept. 12 (AP)—A parade, a dance and a special Mexican program will highlight the Mexican Independence day celebration here Saturday.

Udall Says Administration Plans No Power Monopoly

WASHINGTON, Sept. 12 (AP)—Rep. Don Jensen, R-Ia., top congressional spokesman for the anti-monopoly committee, spoke up to demand that the Interior Department "use good American common sense and fairness" in dealing with utility companies.

In a speech before the American Association of Public Utilities, Jensen said: "I am afraid that if there had been 'any consideration of any thought, whatever of establishing a government monopoly in the production division of electric power, it would be devolved to hearing recommendations." These three groups will meet in an executive session in the afternoon to make the allocations. Idaho has 1,222 miles of forest highways.

The question was raised by the chairman of the joint congressional committee on energy, Udall, that the Interior Department's recent hearing discussion of the proposed intertie transmission line between the Pacific Northwest and the Pacific Southwest.

The transcript of the hearing, made public Wednesday, disclosed conflict between the two sides over the Interior Department's request for 24 million dollars to begin federal construction of the intertie.

Udall outlined proposals by utility companies and cooperatives to expand and modernize their own lines to carry surplus power from the Pacific Northwest to the Los Angeles area. He justified that an arrangement with some of them might be acceptable to him, but the Interior Department needed the money to build the line in order to attract the best possible offers.

Rep. Joe L. Duff, D-Tenn., pointed out that the Interior Department has made enormous investments in the great dams producing hydroelectric power in the Columbia river basin. He said he anticipated the utility companies would want to sell all their power at the cheapest price, and he urged Udall to "use a strong arm in your negotiations with them" to protect the public interest.

ONE-LEGGED MARINE proves he's tough. Sgt. Donald N. Hamblen, left, 31, Augustas, Mo., is congratulated Wednesday by his marine corps commander, Capt. Eric L. Camp Pendleton, Calif., where he made a perfect parachute jump into a lake to prove his right to remain in one of the corps' toughest branches. Hamblen's left leg was amputated below the knee a year ago after a parachuting mishap. Since getting an artificial leg he's performed a rigorous series of physical deeds, culminated by Wednesday's parachute jump, in an effort to stay in the corps. (AP wirephoto)

Demos Flayed By Goldwater At GOP Rally

CHICAGO, Sept. 12 (AP)—Sen. Harry Goldwater, R-Ariz., says that "not one of our problems has been solved by the new front."

In a speech Wednesday night to the National Federation of Republican Women, opening a three-day state anniversary rally in Chicago, Goldwater attacked the Kennedy administration on all fronts.

"If the new frontier has a purpose, it is to expand the federal government to the point where it can do more to govern, the individual, the nation," he said.

"A daddy-knew-best attitude" has been adopted by the Kennedy administration, the senator said. "They have decided to pass rigid tests as skin diver and prove his endurance on land.

In his final test, Hamblen jumped from a helicopter and immediately got into his boat to quickly to guide himself down to within 50 yards of a pickup boat.

Belly Bulge Diminished By New Skirt

By EDWARD GUINNESS
LONDON, Sept. 12 (AP)—A British airline has announced introduction of a self-expanding skirt for high-flying stewardesses.

"The new skirt," said a spokesman for the British Overseas Airways Corporation, "will have an elastic panel with a two-button adjuster on the side."

Pausing for emphasis he added: "It should take care of those bulging tummies in the air."

"Oh, yes," he said. "People's law, what boy does?"

"The weight and pressure of a girl very inversely."

Come again, please?

"It's this way—so the girls ascend to an altitude of say 6,000 feet, and their tummies swell."

"This makes their skirts too tight and quite naturally they don't like it."

The long-suffering girls finally complained officially about the bulge. They said their skirts fit beautifully on the ground but not so beautifully in the air.

"The first of the skirts should be in the air this week," said the spokesman.

Speaker-Club For Burley Opens Season

BURLEY, Sept. 12—The Burley Tomatines club held its first fall meeting Tuesday evening at the American Legion hall, reports Mrs. Al Mortenson, president.

Mrs. Elmer Ross gave the invocation. Mrs. Olin Baker led the pledge of allegiance to the flag. Plans were discussed for the fall. Guests were invited to the held Saturday, Oct. 19, with the Burley Tomatines club as hostess.

Chairmen appointed include:

Mrs. John Payne, membership;

Mrs. T. W. Woodland, hospitality;

Mrs. LePage Layton, public relations and press;

Mrs. Lyle Morton, parliamentarian;

Mrs. John Payne was presented 5 pins for the pin-up girl. Al Mortenson, Mrs. Elmer Ross was awarded the traveling pen for the year.

Lexicologist for the evening was Mrs. John Payne, who used Payne's table-top mistress, used the subjects, "clothes, men and money." Mrs. Lyle Hathaway was awarded the traveling pen on "Buying a new home."

Mr. A. H. Stevenson, program chairman, outlined goals for the year.

Mrs. Ann Funks, tomatines, used the theme—"Traveling Around the World" on her tour of Europe this summer and visiting her son and daughter-in-law who are stationed in Germany.

Honors for the evening was Mrs. Lyle Hathaway. Mrs. Jake Kershuk was a guest.

Mrs. Richardson Honored at Rites

BUHL, Sept. 12—Funeral services for Mrs. Mabel Gerold, 81, were conducted at 2 p. m. Tuesday in the Albertson Memorial Chapel by Rev. Lavold Robertson of the First Southern Baptist church, Twin Falls.

Mrs. Danny Patrick served as soloist. Mrs. Gerold was an original member. Others were Burch McDonald, Leonard Garrett, Morris Murphy, Julie Larson, Zane Young and Rex Roark.

Concluding rites were held in the Buhi city cemetery.

Jordan Asks About Water Laws

WASHINGTON, Sept. 12 (UPI)—But he said that caused him to file this exchange. Sen. Ted Jordan, D-Ia., wants that "It is the law rather than people that is the problem." Jordan says Rep. Remondi, to departmental policy that prevents water from being used for irrigation, is responsible for water use in the final analysis.

Jordan says he has proposed that the administration's policy not let more water out of the Snake River.

He told the news service he has been in touch with the Bureau of Reclamation to get information on water use in the Snake River basin.

LOOKING AT RUINED ROOF on the Christ Episcopal church building in Shoshone is the Rev. John Tulk. The congregation will hold services in the lower floor of the Masonic Lodge until the roof, which was struck by lightning Monday night, can be repaired. Lightning struck the bell and followed the wiring.

Red Rubles Low, Something Must Give—Maybe Big Army

By RAY CRONLEY
WASHINGTON, Sept. 12 (NEA)—
WITHIN the next two years, NIKITA KHRUSHCHEV may have to choose between cutting back on his military or his space programs, in the opinion of some strategically placed United States government experts on the Soviet Union.

As space and military weapons systems develop in completely new areas, cost Khrushchev is finding it more difficult to handle the escalating expense of his space projects, arms programs and nuclear research.

He is trying to match the U.S. with half of the U.S. gross national product. Something has to give.

If he is to develop and produce the costly next-generation weapons, he may not have the productive capacity.

And if he wants to keep power delivered forward in space, he must find a way to cut back the size of his conventional armies.

The experts don't know, of course, where Khrushchev will turn. But they do know he has decided that the cut will be in Russia's huge conventional standing armies. They come to this conclusion from reports that an audience now believes

Green Giant Day at Buhl Set Saturday

BUHL, Sept. 12—Green Giant day, an annual event sponsored by the Buhl Chamber of Commerce is set for Saturday. The personal corn pick up will be at the Green Giant plant here, will be observed Saturday.

Fresh buttered roasting ears will be served to the public from 10 a.m. through 4 p.m. Saturday in front of the former Ley's Hopital building on Main street. The corn is donated by the local Green Giant company, Mrs. Ethel merchant committee chairman, has charge of arrangements. Details were reported at the chamber office this week at the 11th and 6th.

Tom Smith reported the annual district 4-H and FFA fall stock sale is scheduled for 1 p.m., Sept. 22 in the Twin Falls Livestock Commission company. He urged community companies to take an interest in the project and be on hand for the bidding.

Robert Kotkay presented a film made by the National Canners Association. The film stressed the importance of proper labeling of brand merchandise both as to quality and size of content.

Meeting Is Held By Soroptimists

Members of the Soroptimist club held their first meeting of the year Tuesday at the American Hotel. Officers are Mrs. Oscar Hansen, president; Mrs. Olen Gammie, vice-president; Mrs. Ralph Hansen, secretary; Mrs. Olen Gammie, treasurer; Mrs. Abby Klumpenauer, Mrs. John Knutson, and Mrs. E. M. Hay.

Reports were given by Mrs. Lucy Gammie, Mrs. McEvry, service objectives, Mrs. Knutson, programs, a number of who discussed and presented their plan were made.

MIL AND MRS. JACK KENNEDY

Mary Regadera, Kennedy Recite Nuptial Vows

CASTLEFIELD, Sept. 12—Mary Francis Regadera, Sacramento, Calif., daughter of Mrs. Charlene Blue, Castlefield, exchanged nuptial vows with Jack Kennedy, Sacramento, son of Mr. and Mrs. Paul Kennedy, San Dimas, Calif., at wedding rites performed Aug. 10 at the Castlefield Methodist church.

The Rev. Lloyd Snodgrass performed the double ring ceremony before an altar flanked with tall cathedral bouquets of white and apricot colored gladioli.

Given in marriage by Marvin Cox, brother-in-law of the bride, the bride wore a white lace-trimmed gown of silk organza styled with a fitted bodice accented with Chantilly lace, scalloped neckline with seed pearls and long eyelash point sleeves. Her bouffant shoulder-length hair was styled with a flowing train. She carried a cascading bouquet of white gladioli and apricot colored roses with white bows and streamers.

For a token of sentiment she carried a handkerchief given to her by her grandmother and wore a six-pence-in-her-shoe.

Mrs. Marvin Cox, sister of the bride, was matron of honor. She wore a white apricot colored shantung gown and carried a cascading bouquet of white and apricot colored gladioli tied with mint green streamers.

Bridesmaids were Carmen Lopez, Los Angeles; —— Datone Matheny, Sacramento; Mrs. David Townsend, Los Angeles, sister of the bridegroom, and Rita Blue, sister of the bride. They wore gauze dresses identical to that of the bride, each carried a gladioli bouquet.

Debbie Cox and Sandy Cox, nieces of the bride, were flower girls. They wore white satin dresses styled with full circle skirts and ruffles. Each carried a white basket of apricot colored rose petals.

Mike Alyward, Sacramento, and David Townsend, California, were taper lighters. Robert Kennedy, Sacramento, was ring bearer, with best man. Ushers were Mike Alyward, David Townsend and Keith Isenog, Sacramento.

Traditional wedding music was played by Mr. Leo Gentien, Gail Connor was soloist.

The bride's mother wore a brown chiffon dress with matching accessories and a bronze colored gladioli corsage. The bridegroom's mother wore a rose colored silk chiffon dress with matching accessories and a pink gladioli corsage.

The couple greeted guests in the reception hall of the church.

The cake, which was covered with a lace table cloth and centered with a four-tiered wedding cake with a three leaf clover base, was decorated with heart lattice and apricot colored frosting, gum rings and topped with raspberries, blueberries and the valley and white hills. The cake was baked by Mrs. Leonard Walcott, Juhi. The bridegroom's cake was made by Mrs. Marvin Cox.

Mrs. Dallas Cox cut and served the cake. Mrs. Kyle-Human served.

East Germans Still Question Regime, but Revolt Unlikely

By JOHN O. KOEHLER
BERLIN, Sept. 12 (AP)—Disatisfaction of the East German people with the communist regime continues to be widespread, but after a week behind the Iron Curtain this reporter found no evidence that a new revolt is brewing.

The morale of the people, despite tough political pressures and scarcity of certain essential food items, seemed higher than it was seven months ago when I last visited East Germany.

Because of the unusually severe winter and its resulting scarcity of fuel and food shortages, there decreased since last winter, there is increased bitterness over political pressures.

Factory workers, probably because of the forthcoming general election, are subjected to at least two political meetings a week.

But East Germany since has had a good harvest, and there certainly are no shortages of such staples as bread and potatoes.

On the other hand, butter continues to be expensive and short in supply, one half pound being allotted per person every 10 days.

Fresh meat also is scarce but,

all kinds of sausage were abundantly available.

near a lake and we have a sailboat."

The second official said something similar. Neither one said anything about being convinced communists.

The estimate at this time was such that the people wanted to revolt, the presence of 20 Soviet divisions and thousands of East German police and army keeps everyone in line.

Both avoided saying that the Berlin wall would prevent them.

Instead, one answered this way: "I have no desire to come to West Berlin, but if I get enough money and my wife gets enough money, we have a nice house in West Berlin."

The congressional source, asked about prospects for the latest bill, said in another region because of differences in local production costs.

The source explained that while other bills would be higher, the price of gold—and that could cause repercussions around the world which the administration wants to avoid.

The bill introduced Monday, by Rep. Ernest Gruening, D-Alaska, and Lee Metcalf, D-Mont.

Gruening has announced his Senate interior mining subcommittee will hold hearings to get public reaction to the bill.

The administration is opposing other bills which would raise the price of gold, set at \$35 an ounce since 1934.

The new bill would merely amend the existing law to reflect

the difference in the cost of produc-

tion in 1934 and the cost in 1963.

There would be no fixed amount, the source explained.

In one part of the country might show a favorable disposition

toward the bill. But he emphasized that this was his conclusive finding.

In any event, the source added, the bill would be based on the price of \$35 per ounce.

The informant said a reluctance in Congress to increase government spending might be overcome if there is strong administrative support for the bill.

The administration, the source said, would need enough support to its administration to the increased spending.

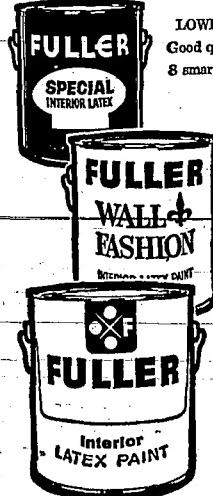

The source reported that an early and very tentative sounding

circles from Montana, Idaho, North Dakota and South Dakota are expected to attend the three-day meeting.

East Germans Still Question Regime, but Revolt Unlikely

By JOHN O. KOEHLER

BERLIN, Sept. 12 (UPI)—Dissatisfaction of the East German people with the communist regime continues to be widespread, but after a week behind the iron curtain this reporter found no evidence that a new revolt was explosive.

The morale of the people, despite tough political pressure and scarcity of certain essential food items, seemed higher than it was seven months ago when I last visited East Germany.

Because of the unusually severe winter and its resulting serious fuel and food shortages, the people's morale has not exploded.

In fact Germany since has had a good harvest and there certainly are no shortages of such staples as bread and potatoes.

On the other hand, butter continues to be expensive and short in supply—our half pound being allotted per person every 10 days.

Fresh meat also is scarce but

all kinds of sausage were abundantly available.

While complaints about food and other consumer goods have decreased since last winter, there is still some discontent over political pressures.

Factory workers, probably because of the forthcoming general election, are subjected to at least two political meetings a week.

In a conversation with two ranking government officials, this reporter was told that the Communists are trying to strengthen their influence in a dozen West Berlin districts.

Both avoided saying that the Berlin wall would prevent them from leaving, but one answered this way:

"I really have no desire to come to West Berlin. I get enough money and my wife gets enough

money. We have a nice house

near a lake and we have a sailboat."

The second official said something similar. Neither one said anything about being convinced communists.

Even if the climate at this time was such that the people wanted to revolt, the present 20,000 West Berliners would be a threat to the 1,000 or so East German police and army keeps everyone in line."

Gets Award

WASHINGTON, Sept. 12 (UPI)—

Dr. Charles Warren, authority on atomic radiation, was awarded the atomic energy commission citation. Warren was cited for outstanding service to U.S. representatives to the U.N. scientific committee on the effects of atomic radiation.

Gold Support Bill Future Is Uncertain

WASHINGTON, Sept. 12 (UPI)—A congressional source stated Wednesday the fate of a bill that would change gold production and production for domestic gold is uncertain and could depend on the Kennedy administration.

The bill, introduced Monday, is cosponsored by Rep. Ernest Gruening of Alaska, Rep. Hale Boggs of Louisiana, and Sen. George D. Mort.

Gruening has announced his Senate interior mining subcommittee will hold hearings to get public reaction to the bill.

The administration is opposing other bills which would raise the price of gold, set at \$35 an ounce since 1934.

The congressional source stated that prospects for the bill will depend in another region because of differences in local production, conclusive finding.

It is a lot higher or lower than that toward the bill. But he made

it clear that the bill would be based on the price of \$35 per ounce.

The bill, introduced Monday, is designed to reduce costs of production of gold and to increase the amount of gold produced by the U.S. government.

The bill would merely subsidize U.S. miners based on difference in cost of production in 1934 and the cost in 1963.

This would be no fixed amount, the source explained, of some administration officials in one part of the country might

showed a favorable disposition tend the three-day meeting.

Talent Show
Set Saturday
By Red Cross

RUPERT, Sept. 12 — Hugh Short, Minidoka's "county" Red Cross chairman, announces a talent show will be sponsored at 8 p.m. Saturday by the Minidoka Red Cross chapter. Numbers from local talent will be presented in the event which will be held at the Minidoka high school auditorium.

Mrs. Maxine Badger, chairman for the show, said that numbers of talent numbers have been lined up with the complete program to be announced later. The manager of the Harry exchange student from Australia who is attending Minidoka, will be featured. Janice Williams, Rupert vocalist who has performed in local musical events also will appear.

Other highlights of the event will be Dennis Purin, playing the guitar, and the Minidoka Bell will be presented by Arthur Bell and Fay Crandall, and a comedy act by Danny Bowman and Stanley Bruns.

Other numbers also are planned for the show. Assisting Mrs. Badger will be Tom Pierce.

Pierce explained that funds raised during the talent show will be used to help finance the local projects carried out by the Minidoka Red Cross chapter.

2 Ranchers Given Blaine Grass Awards

HAILEY, Sept. 12 — Plaques were awarded to two local ranchers as "the best to their county" chairman of the year," conferred by the Hailey Chamber of Commerce at the chamber luncheon meeting Monday.

Dennis Burks received the plaque for the Flat Top Sheep company, Muldoon, owned by Mrs. Mary Brucks and her son, John. Freda Purin, Purin Livestock, received the plaque for his Purin Livestock company, Picabo.

Norman Warren, Blaine county agent and chairman of the chamber of commerce committee, made the presentations.

He explained that ordinarily only one grassman is selected in a contest. In this year's competition, however, the state committee felt both entrants should be recognized because of their outstanding efforts in grassland management.

Purdy said that to be successful, ranchers need "successful grassland management, and in many cases that is overlooked." Burks said, "I think the contestants felt and said it was a great incentive for local ranchers to plan their programs."

Purdy said that the district awards will be given at the district and state awards.

The Picabo Livestock company runs about 1,700 head of herefords. The ranch covers some 7,800 acres of leased land in the Silver creek area, 10,000 acres of public lands and 4,000 acres of privately owned land.

John G. Combs, Sawtooth forest ranger for the Hailey district, spoke on the proposed redesignation of the Sawtooth primitive area as a wilderness area. He said the area of the wilderness area by the forest service would be very similar to its present management.

Hunting, mining and grazing would be prohibited. Under park service management, hunting, mining, grazing and timber cutting would be prohibited. The area would be strictly for tourism purposes.

Combs said any individuals or groups wishing to either oppose or support the national park proposal for the Sawtooth area should write their legislators and once to let them know how they stand on the issue.

Ira Hoffman, chamber president, appointed Mrs. William Williams, Pauline and Marvin Burks to prepare a letter which can be sent to congressmen and other officials. This will be given to individuals to sign.

It was pointed out it is not too late for individuals to write to the regional forester, U.S. forest service, Ogden, Utah, and voice their opinion on the wilderness proposal. These letters will be included in the wilderness hearing report, if they are received before Sept. 30.

Woman Cited for Leaving Scene

BUHL, Sept. 12 — Mrs. Karen Neuneyer, 21, Buhl, was cited Monday night by J. H. Tamm, chief of police, for failing to file a report on an accident which occurred around 11:00 p.m. Friday.

Mrs. Neuneyer had the front-lighting fixture of her driveway lamp not outside the Buhl city limits, when glass from a cracked windshield flew into her face. She turned the car and ran to the hardware store and paid cash for a new one in the order amounting to \$100. The car was undamaged.

Juhu Police Chief Charles Burhan assisted with the investigation.

YARD CLEANED

CAULFIELD, Sept. 12 — Guy Scott and Roy Scott held a work day and cleared weeds from the grounds of the church hall. Two new members accepted in the Girl Scouts are Diana Benten and Patricia Hadley. Several clean refreshments were served by Diana Benten and Barbara Hepworth.
